

# Fluorescent

## Eaves

I?m not sayin' nothin' you don?t already know  
You know you?re too delicious, more than I can handle  
Lyn? around late at night, so luscious that I ache  
Baby, why?d you fall asleep? I?m still awake  
I?m in love, in love with a dream  
My Valentine?s gone and broke my wings  
I?ll see in time, I feel a bit weak  
You better be right 'cause you promised me  
I must have lost my mind  
I can?t believe you?re still inside my bed  
I nearly walked away  
I didn?t think we?d still be rollin?  
Dressin' up in your love is a dangerous thing  
My sexy super lover?s got a real bad sting  
Baby, didn?t want no trouble, this is more than I can afford  
I can?t help myself, keep comin' back for more  
For more, can?t help comin' back for more  
I?m in love, in love with a dream  
My Valentine?s gone and broke my wings  
I?ll see in time, I feel a bit weak  
You better be right 'cause you promised me  
I must have lost my mind  
I can?t believe you?re still inside my bed  
I nearly walked away  
I didn?t think we?d still be rollin?  
And as I watch you sleep in the dim light  
I close my eyes and pray  
Another fluorescent night  
Yeah, you and I  
Late night lovers kickin? in the covers  
Don?t need no one but you and I  
'Cause every day's a weekend, forget what we were thinkin?  
Another sweet fluorescent night  
I must have lost my mind  
I can?t believe you?re still inside my bed  
I nearly walked away  
I didn?t think we?d still be rollin?  
And as I watch you sleep in the dim light  
I close my eyes and pray

Another fluorescent night  
Yeah, you and I
