

Cajun Moon

Herbie Mann

I can hear you sighin'
Sayin' you'll stay beside me
Why must it be
That you always creep
Into my dreams On the beach we're sitting
Huggin', squeezin', kissin'
Why must it be
That you always creep
Into my dreams
In my dreams When I'm sleep at night baby
I feel those moments of ecstasy
When you sleep at night baby
I wonder do I creep into your dreams
Or could it be I sleep alone in my fantasy Oh, love is so amazing (Oh, oh, oh, ah, ah)
Guess you will be stayin'
So let it be
That you always creep
Into my dreams
In my dreams When I'm sleep at night baby
I feel those moments of ecstasy
When you sleep at night baby
I wonder do I creep into your dreams
Or could it be I sleep alone in my fantasy Oh, love is so amazing (Oh, oh, oh, ah, ah)
Guess you will be stayin'
So let it be
That you always creep
Into my dreams
In my dreams
