Booze Party

Elvis Hitler

Booze party on a Saturday night
Come back to my place
And get real tight
Told Mom and Dad to get lost
Don't worry, baby, now I'm the boss
CHORUS
Booze party on a Saturday night
Booze party on a Saturday night
Booze party on a Saturday night
Booze party on a Saturday night
Come back to my place
And go hog wild
We'll get a keg
And have a drink or two
Then go to my room
So we can screw
CHORUS
