

Love Kills

[Lizzy Borden](#)

Sid was a punk rock king, Nancy was a broken queen
Their lives were so glamorous, Sid and Nancy were a mess
When you're hooked on heroin, don't you know you'll never win
Drugs don't ever pay, you really did it your way
Love kills, love kills, love kills
We still believe in anarchy, it makes me so damn angry
Sid and Nancy meant a lot to me, you may be dead but your souls are free
Like Romeo and Juliet, you two made a pact of death
Like the needle that you used, Sid and Nancy were born to lose

Love kills, love kills, love kills
Sid never meant any harm, he shot some dope into his arm
All he wanted was some fun, now she's lying in a pool of blood
Always loaded, always high, why did you have to die?
I'll say one thing is it leaves me with a bitter taste
Love kills, love kills, love kills
Love kills, love kills, love kills
Love kills, love kills, love kills
