Lord Unleashed

Psyche

And when I walk alone
Down into this forbidden path
There are so many roads
But only one way to go
Only one way to go
I realize that each city has a personality
Common empathy within
And it makes me feel
It makes me feel that insanity could be so peaceful
And if there is some kind of God
This wretched entity must have lost control
Years ago
Now we're splintered in fragments
Hitting the floor of thought
This flesh and bone knows no boundaries
Finding the discord of the lord unleashed
