From Eden

Hozier

Babe, there's something tragic about you
Something so magic about you
Don't you agree?Babe, there's something lonesome about you
Something so wholesome about you
Get closer to meNo tight side, no rolling eyes, no irony
No 'who cares', no vacant stares, no time for meHoney you're familiar like my mirror years ago
Idealism sits prison, chivalry fell on it's sword
Innocence died screaming, honey ask me I should know
I slithered here from Eden just to sit outside your doorBabe, there's something wretched about this
Something so precious about this
Oh what a sinTo the strand a picnic plan for you and me
A rope in hand for your other man to hang from a treeHoney you're familiar like my mirror years ago
Idealism sits in prison, chivalry fell on it's sword
Innocents died screaming, honey ask me I should know
I slithered here from Eden just to sit outside your doorHoney you're familiar like my mirror years ago
Idealism sits in prison, chivalry fell on it's sword
Innocence died screaming, honey ask me I should know
I slithered here from Eden just to hide outside your door
