

# Breathe Again

Sara Bareilles

Car is parked, bags are packed  
But what kind of heart doesn't look back  
At the comfortable glow from the porch  
The one I will still call yours?  
All those words came undone  
And now I'm not the only one  
Facing the ghosts that decide  
If the fire inside still burns  
All I have, all I need  
He's the air I would kill to breathe  
Holds my love in his hands  
Still I'm searching for something  
Out of breath, I am left hoping someday  
I'll breathe again, I'll breathe again  
Open up next to you  
And my secrets become your truth  
And the distance between  
That was sheltering me comes in full view  
Hang my head, break my heart  
Built from all I have torn apart  
And my burden to bear  
Is a love I can't carry anymore

All I have, all I need  
He's the air I would kill to breathe  
Holds my love in his hands  
Still I'm searching for something  
Out of breath, I am left hoping someday  
I'll breathe again  
It hurts to be here  
I only wanted love from you  
It hurts to be here  
What am I gonna do?  
All I have, all I need  
He's the air I would kill to breathe  
Holds my love in his hands  
Still I'm searching  
All I have, all I need  
He's the air I would kill to breathe

Holds my love in his hands  
And still I'm searching for something  
Out of breath, I am left hoping someday  
I'll breathe again, I'll breathe again  
I'll breathe again, I'll breathe again  
I'll breathe again, I'll breathe again
