

Black Mirror (True Pseudo Remix)

Arcade Fire

I walk down to the ocean
After waking from a nightmare
No moon, no pale reflectionBlack mirror, black mirror
Shot by a security camera
You can't watch your own image
And also look yourself in the eyeBlack mirror, black mirror, black mirror
I know a time is coming
All words will lose their meaning
Please show me something that isn't mine
But mine is the only kind that I relate toLe miroir casse
The mirror casts mon reflet partoutBlack mirror, black mirror, black mirror
The black mirror knows no reflection
It knows not pride or vanity
It cares not about your dreams
It cares not for your pyramid schemes
Their names are never spoken
The curse is never broken
The curse is never brokenUn! Deux! Trois! Dis: miroir noir!
Black mirror!
Un! Deux! Trois! Dis: miroir noir!
Black mirror!Black mirror
Black MirrorMirror, mirror on the wall
Show me where them bombs will fall
Mirror, mirror on the wall
Show me where them bombs will fallBlack mirror!
Black mirror!
Black mirror!
Black mirror!
Black mirror!
Black mirror!
Black mirror!
