Sending (feat. Charlie Hall) [Live]

Passion

Send us with fire to go love the world
Send us with fire to go love the world
Send us with fire to go love the world
Send us with fire to go love the worldLay down all riches for the pearl of great cost
Count it as nothing for the sake of the cross
Pour out an offering of our lives for the lost
Send us out, You're our greatest desire, JesusYou're our greatest desire, Jesus
Your name is our greatest song
You're our greatest desire, Jesus
Your name is our greatest songSo, send us with fire to go love the world
Send us with fire to go love the world
Send us with fire to go love the world
Send us with fire to go love the worldChannel our passions
Channel our passions into pleasing Your heart
Come consecrate us, come and set us apart
You're the hope of the nations, we lift high the cross
Send us outYou're our greatest desire, Jesus
Your name is our greatest song
You're our greatest desire, Jesus
Your name is our greatest songYou're our greatest desire, Jesus
Your name is our greatest song
You're our greatest desire, Jesus
Your name is our greatest songSo, send us with fire to go love the world
Send us with fire to go love the world
Send us with fire to go love the world
Send us with fire to go love the worldOh Lords, You're our greatest desire
You're our greatest desire, Jesus
Your name is our greatest song
You're our greatest desire, Jesus
Your name is our greatest songYou're our greatest desire, Jesus
Your name is our greatest song
You're our greatest desire, Jesus
Your name is our greatest songSo, send us with fire to go love the world
Send us with fire to go love the world
