

March of the Damned

Judas Priest

We're walking,Â the streets
We know where,Â we'll meet
Can't stop usÂ
They don't know why
They tryCan't hurt us
We'll never die
We are on the march of the damned
Of the damnedMarch of the damnedWe know what's, at stake
Won't take your, mistakesÂ Can't break us
We'll never fallÂ
That's allIt's over, just watch us grow
We are on the march of the damned
Of the damnedMarch of the damnedWe're walking the streets
We know where we'll meetCan't stop us
They don't know why
They tryCan't hurt us
We'll never dieÂ
We are on the march of the damned
Of the damnedMarch of the damned
