Itâ€™s Always Gonna Rain

Jack Ingram

Itâ€™s Always Gonna Rain â€“ Jack Ingram & Lori McKenna

Sun has been shiningâ€™
For I donâ€™t know how long
Creek beds are empty
And the cottonâ€™s long gone
For folks around here
Hopeâ€™s the last thing to go
Even the wildflowers find
Some way to grow
Find some way to grow

Chorus:
Just when youâ€™re down on your knees
Wonder is god listening
Say all your prayers
And lie down to sleep
Just like a dream
Itâ€™s always gonna rain
Itâ€™s always gonna rain

My dad and his dad
His dad before
Used to stare at the stars
From just off the back porch
Momma was inside
But she never would cry
Iâ€™d hear her whisper
Donâ€™t give up on the sky
Donâ€™t give up on the sky

Chorus: Itâ€™s always gonna rain x4
Lead:

Your eyes are closinâ€™
Got your windows open
Before you know it
Wind starts blowinâ€™
Not done hopinâ€™
Itâ€™s gonna take away your pain

Rain, itâ€™s always gonna
Always gonna rain
Itâ€™s always gonna rain

Lead:
Chorus:
This ainâ€™t no dream, its rain
