

Landslide (Orchestra Version)

Stevie Nicks

I took my love and I took it down
Climbed a mountain then I turned around
And I saw my reflection in the snow covered hills
Well the landslide brought me down Oh, mirror in the sky
What is love?
Can the child within my heart rise above
Can I sail through the changing ocean tides
Can I handle the seasons of my life Uh ah
Uh ah
Uh ah Well, I've been afraid of changin'
'Cause I built my life around you
But time makes you bolder
Children get older
I'm getting older too Well Well, I've been afraid of changin'
'Cause I built my life around you
But time makes you bolder
Children get older
I'm getting older too Well, I'm getting older too So, take this love and take it down
Yeah, and if you climb a mountain and ya turn around
And if you see my reflection in the snow covered hills
Well the landslide brought me down And if you see my reflection in the snow covered hills Well maybe
Well maybe
Well maybe The landslide will bring you down.
