Back Into My Life

Ms. Krazie

(D. Salas):
What would I do if you came back into my life?
Would I take you in or simply pass you by?
I've got a life I just can't throw away because of you
I might just wanna keep you by my side
(Ms Krazie):
I might just wanna keep you in my life

(Ms Krazie):
What would I do if I seen you again
It's been a long time since my eyes met yours and mine
I kept on bleeding for you I must admit it
But I have made up my life so I stick with it
I found a good man who loves me just the same
And a couple little kids who use mom to call my name
I don't have time to run off with a lost love
How irresponsible of me if I would walk off
I'm just so scared if I seen you again
And that my heart will start beating for you just like it did then
When everything was so good between you and me
When you were my man and I was your girl
You promised the world
(me prometiste el mundo)
I was on a cloud and now I?m fallin fallin down
(y ahora estoy yo sola sin ti)

(D. Salas):
What would I do if you came back into my life?
Would I take you in or simply pass you by?
I've got a life I just can't throw away because of you
I might just wanna keep you by my side
(Ms Krazie):
I might just wanna keep you in my life

(Ms Krazie):
I can't deny that a part of me would really wanna see you
Do you ever think of me, even only just a little?
Who you been with?
Are you already married?

Do you have kids?
Is your life settled like mine is?
I don't know but another part just wants you away
To never see you again and keep it that way
So you would never make me weak in the knees
I beg of you please
Don't make me start to reminisce
All those times that I let myself be fooled by you
My love is true
This is were I promise you
And I believe it all
(confiaba en ti)
Foolish of me for making you my all
But will I still love you when we both meet again?
If you knock at my door, would I let you come in?
Lloran mis ojos

Chorus:
(D. Salas):
What would I do if you came back into my life?
Would I take you in or simply pass you by?
I've got a life I just can't throw away because of you
I might just wanna keep you by my side
(Ms Krazie):
I might just wanna keep you in my life
(D. Salas):
What would I do if you came back into my life?
Would I take you in or simply pass you by?
I've got a life I just can't throw away because of you
I might just wanna keep you by my side...
