Closer To You

Adelitas Way

Verse 1: As you walk my way,
Do you see my face,
Sad behind a smile,
Fake it for awhile,
Tell me what should I do?
Chorus: Can I get closer to you,
Tell me the truth,
Can I get an answer from you,
Show me a sign,
Here I stand with my heart in my hands,
And all I do,
To get closer to you,
Verse 2: As I stand alone,
Sinking like a stone,
You can save me now,
I can?t live without,
Tell me what should I do?
Chorus: Can I get closer to you,
Tell me the truth,

Can I get an answer from you,
Show me a sign,
Here I stand with my heart in my hands,
And all I do,
To get closer to you,
Verse 3: If you walked my way,
Would you see my face,
Chorus: Can I get closer to you,
Tell me the truth,
Can I get an answer from you,
Show me a sign,
Here I stand with my heart in my hands,
And all I do,
To get closer to you,
To get closer to you,
And all I do,
To get closer to you,
And all I do,
To get closer to you,

And all I do.
