

# Fat Hookers

## Nobodys

See 'em on the corner showing their fat thighs.

See 'em in a mini-skirt. I can't believe my eyes.

I would never pay to fuck a thing like that.

She ain't just ugly, she's fucking fat.Fat hookers don't turn me on.

Fat hookers don't turn me on.I'm as horny as a man can be.

But i don't wanna fuck a human oddity.

I'll have a blow job if she's a looker, but i won't fuck a fat hooker.Fat hookers don't turn me on.

Fat hookers don't turn me on.

Fat hookers don't turn me on.

Fat hookers don't turn me on.
