

Beowulf

Slothrust

I feel you now
Have you been hiding the whole time
I feel you now
Have you been hiding the whole time I'm hungry now
Why won't you let me get my fill
I'm hungry now
Why won't you let me
Consume everything Beowulf was one sick puppy
Always went on brutal murder sprees
With saddled beasts
Beowulf was one sad puppy
Wrecked the homes of all the creatures
Living in the woods Grendel he was one sick puppy
Couldn't help the way he liked to rip things
Limb from limb
Couldn't help the way he always
Killed the party
Everytime
