Lucky Dime

Calexico

Found a dime in the metro line
Funny to see a familiar face
Since you left us long ago
Never been a trace of luck to guide meHopin' to see a sign
Or a lucky dimeSearchin' as I go
(Searchin' as I go)
Hopin' to see a sign
(Hopin' to see a sign)
Or a luckySomeone told you long ago
All you ever needed to know
No matter how far you drift alone
I'll always be here around
