

Love You More

King Missile

I'm in love again, oh-oh
Been like this before, oh-oh
I'm in love again, oh-oh
This times true I'm sure, ooh-oooh
Don't wanna be hurt like no nightly wonder, ooh-oh
I been hurt so many times before, oh-oooh
So my darling, I will never leave you, oh-oh
You can tell I've learned to always, LOVE YOU MORE, oooh-oooh Love you more,
Love you more,
It's my heart again, oh-oh That drives me so wild, oh-oh
I just can't explain, oh-oh
Although I'm not a child, oh-oh
So why would I cry if you ever left me, ooh-oooh
Maybe 'cause your all I'm living for, ooh-oooh With every heart beat I want you badly, ooh-oooh
Until I've learned to always, LOVE YOU MORE, oooh-oooh Love you more,
Love you more, Oh my love again, oh-oh
What I say is true, oh-oh
Though it may sound plain, oh-oh
I love you, I if this is part of me that I can offer, oh-oh
And if this is the true love then I am sure, ooh-oooh
That after this love there be no other, ooh-oooh
Until the razor cut.
