V.A.L.I.S.

Bloc Party

When in motion World is frozen Talks in circles and Greek Hes into epiphany Hes into philosophy Hes into methyl amphetamines Hes into science But hes lost his way Hes not the real me, but I can hear I can hear, I can hear him From my futureShow, show, show show me You gotta show me the way Show, show, show show me You gotta show me the way Show, show, show show me You gotta show me the way Show, show, show show me You gotta show me the wayPast and present Are superimposed He has seen this before Hes into conspiracy Hes into the ophany Hes into phenomenology Hes into deeds He dont mix his words Hes not the real me, but I can hear I can hear, I can hear him From my futureShow, show, show show me You gotta show me the way Show, show, show show me You gotta show me the way Show, show, show show me You gotta show me the way Show, show, show show me

Lyrics provided by https://damnlyrics.com/

Show, show, show show me
