Don't Throw It All Away

By The Tree

And you wait another day
Just to wash your cares away
And you try to never leave
You're afraid of being free
Aren't youSo you wake from your sleep
And you try and you try
To appease me
But you're scared to ever leave
You're afraid of being free
Aren't youBut you're scared to ever leave
You're afraid of being free'Cause you don't know
Where you're running to
Don't know what you're gonna do
You wait
You wait
Don't throw it all away
Don't throw it all away
