# Real Love (Narcisse Remix)

## Delorean

Its sad and it hurts.
The deeper it is, the harder it gets to gently say bye
Its sad and it hurts.
The deeper it is, the harder it gets to gently say byeWill we ever meet again, will we ever?
Feel our hearts hardly beating, will they ever?
Stop beating, break apart, will we ever?
Lose all our hope, hope to get lost - want to fadeWill we ever meet again, will we ever?
Feel our hearts hardly beating, will they ever?
Stop beating, break apart, will we ever?
