

A Love So Fine

Bruce Springsteen

(paradise by the sea) Well there's sparklin' angels on your fire-escape tonight
They line them up for you trying to keep you safe
But with them fire alley burglars on a midnight vamp
You lost your heart on main street to a beautiful tramp
That's all right, I don't mind
`cause I got (you got) a love so fine
A love so fine, me and my baby
A love so fine, me and my baby
A love so fine The rat's traps are filled with soul crusaders
Everybody's popping and hopping and jumping
At little melvin and the invaders
You're out on the floor and you can't get up
Your baby's out there dancing and struttin' that continental strut
She looks so good, she looks so fine (she blows your mind)
Oh we (you) got a love so fine
A love so fine
A love so fine
A love so fine Everybody's reeling when the band hits the ceiling
Don't you know you just wanna go
The boys start (joint gets) rockin', your knees start knockin'
Everybody party, go
Let's go
