

Tulips

Christopher

Aaaaauuuuwww

First let me start by saying i'm sorry
I'll make it up to you don't you worry about it
Girl i'm gonna give you just what you like
Girl i'm gonna give you just what you like
Mmmhhh mhhh mhhhhhhmhmh

Hhhnnnnnggg

I'm not to afraid to show you i love you
I'm not afraid to show you, and tell everybody
that i'm gonna give you just what you like
that i'm gonna give you just what you like
Mmmhhh mhhh mhhhhhhmhmh

Girl lean back, why don't you relax

I want to kiss your tulips

You got me feeling, got me feeling scandalous
The way your flower blooms for me is dangerous,
With your big crush velvet touch
I can't get enough, girl you know i love
Tulips

Heeeyyy

My appetite is craving your body

Uuuhhhh

I'm hungry for your love, baby you are my diet
Really really really really want to take a bite
Really really really really want to take a bite
Mmmhhh mhhh mhhhhhhmhmh

Girl lean back, why don't you relax

I want to kiss your tulips

The way your flower blooms for me is dangerous
With your big crush velvet touch
I can't get enough, girl you know i love
