## Mesmerized

## **Voyce Alexander**

Filling a space, burning a chapter of your life This was the place that only you would know Walking away, watching the ashes as they fall Reaching into your eyes I can feel you crawling through my veins Like catching the first sunrise, mesmerized Sever the skies, bury the truth, forget the time These were the years we tried to leave behind Whatever we are, I still remember the way we were

Reaching into your eyes I can feel you crawling through my veins Like catching the first sunrise, mesmerized Sometimes when I?m with you These feelings falling like a landslide As both of our dreams collide Reaching into your eyes I can feel you crawling through my veins Like catching the first sunrise, mesmerized
