

Rock And Roll In The Hay

Brad Cotter

Good morning, weather wise we're looking good
Hot and sticky for the next three days
Summertime is here You love a bed of a pick up full of beer and ice
You've got a F150 cooler with four wheel drive
Dancin' on flat beds, parked side by side
Gas powered generator, some portable lights Playin' electric guitar, eatin' barbecue
Got your baby right next to you, you You've got yourself a party
A smokin' rockin' redneck rave
A hillbilly binder kickin' off the weekend
The right way It's gonna go all night
They'll be some skinny dippin' down at the lake
We'll get out in the country
We're gonna rock and roll in the hay
The hay, hay, hay You get your tents and trailers
Motorcycles and trucks
Bonfire in the middle
And we'll circle up Yeah, it's gonna get hotter
Than it's been in a while
Better have a Hi-8 camera
Case some girls get wild Slipping off, out behind the barn
Yeah, we know what's goin' on You've got yourself a party
A smokin' rockin' redneck rave
A hillbilly binder kickin' off the weekend
The right way It's gonna go all night
They'll be some skinny dippin' down at the lake
We gettin' out in the country
We're gonna rock and roll in the hay
The hay, hay, hay Yeah, we've got ourselves a party
A smokin' rockin' redneck rave
A hillbilly binder kickin' off the weekend
The right way It's gonna go all night
They'll be some skinny dippin' down at the lake
We're gettin' out in the country
We're gonna rock and roll in the hay Party
We've got a smokin' rockin' redneck rave
A hillbilly binder kickin' off the weekend
The right way It's gonna go all night
They'll be some skinny dippin' down at the lake
We're gettin' out in the country

We're gonna rock and roll in the hay

Hay, hay, hay
