

# Ellis Island

## The Corrs

On the second Sunday  
Annie be my guide  
Liberty's a welcome  
To an aching eye  
We'll grow up together  
Far away from home  
Crossed the sea and ocean  
To the land of hope  
Kingstown to Liverpool  
Crossing the Irish Sea  
You gotta keep your wits on you  
Where you lay your head  
Six minute medical  
Leaving no chalk on me  
Goodbye Ellis Island, hello land of free  
Every man and woman  
Every girl and boy  
Sing out Ellis Island  
Sing a song of hope  
Sing for us together  
Sing we're not alone  
Sing we'll go back someday  
Sing we will belong  
When the leaves are falling  
Sky is upon the ground  
We will come together  
Sing of Ireland  
Thanking Ellis Island  
Thank you, USA  
You gave us a home here  
Crying a brand new day  
Queenstown to New York bay  
Wild Atlantic Ocean  
You gotta keep your wits on you  
Where you lay your head  
Six minute medical  
Leaving no chalk on me  
Goodbye Ellis Island, hello land of free  
Every man and woman

Every girl and boy  
Sing out Ellis Island  
Sing a song of hope  
Sing for us together  
Sing we're not alone  
Sing we'll go back someday  
Sing we will belong  
Sing for us together  
Sing we're not alone  
Sing we'll go back someday  
Sing we will belong  
Sing out Ellis Island  
Sing we're not alone  
Sing we'll go back someday  
Sing we will belong  
Sing we will belong
