Run Run Blood

Phantogram

[Verse 1]
Hey wolf, there's lions in here
There's lions in here, there's lions in here
Hey wolf, just see there's no fear
Just see it's no fair, there are lions in here[Verse 2]
Extra, extra, read all about it
You think you slow me down? I highly doubt it
I own the paperboys, and you're the buyer
Your world is my world now to live and die in
[Pre-Chorus]
Does anybody need to eat?
Does anybody need to breathe?
Got you blindfolded on your knees
Run, run, run
Run, run, blood[Chorus]
Follow me into a swarm of bees
Swallow everything you don't believe
Drink away all of your memories
Say goodbye to your family
It's bigger than life
It's bigger than love
It's bigger than us
Bigger than all
It's bigger than life
It's bigger than love
It's bigger than us
Bigger than all[Verse 3]
Hey wolf, there's lions in here
There's lions in here, there's lions in here
Hey wolf, just see there's no fear
Just see it's no fair, there are lions in here[Verse 4]
Quicksand, quicksand
What's so surprising?
Make your decision, man
Sinking or rising?
Sew up your eyelids
Now you're divided
Money for loyalty, that's how I like it[Pre-Chorus]
Does anybody need to eat?

Does anybody need to breathe?
Got you blindfolded on your knees
Run, run, run
Run, run, blood[Chorus]
Follow me into a swarm of bees
Swallow everything you don't believe
Drink away all of your memories
Say goodbye to your family
It's bigger than life
It's bigger than love
It's bigger than us
Bigger than all
It's bigger than life
It's bigger than love
It's bigger than us
Bigger than all[Chorus]
Follow me into a swarm of bees
Swallow everything you don't believe
Drink away all of your memories
Say goodbye to your family
It's bigger than life
It's bigger than love
It's bigger than us
Bigger than all
It's bigger than life
It's bigger than love
It's bigger than us
Bigger than all[Outro]
Hey wolf, there's lions in here
There's lions in here, there are lions in here
Hey wolf, just see there's no fear
Just see it's no fair, there are lions in here
Hey wolf, there's lions in here
There's lions in here, there are lions in here
Hey wolf, just see there's no fear
Just see it's no fair, there are lions in here
