

Game

Beady Belle

Little boys and little girls
Playing parts in little worlds
Little girls and little boys
Properties and little toysInside the doll's house the game begins
 Girl is the princess, boy's the prince
 Feeling secure from the ogre who's sitting in the playground
 They've got a jingle in case they fight
 That will decide who is wrong or right
Gotta be friends and behave if they both are ever gonna be crownedBoy's got a toy gun in case of war
 And that is just what he's waiting for
 Girl rocks the doll's pram pretending the barbie is a baby
 Boy tries his best to be hard and cool
 Girl to be soft as cotton wool
Prince is the gentleman and the princess is the finest ladyThey know exactly how to play
 They know exactly what to say
 'Cause they have served their apprenticeshipLittle boys and little girls
 Playing parts in little worlds
 Little girls and little boys
Properties and little toysPrince wants the princess to watch him fight
 She says that she doesn't think it's right
 But he wants to show her that she is together with a winner
 Outside the doll's house the ogre starts
 Shaking the house 'til it falls apart
Princess and prince gotta run unless they're gonna be his dinnerRunning together with equal goals
 Better be home playing with adults
 Mom's saying it's just a game and they don't have to worry
 Inside the kitchen the game begins
 Mom is the princess and dad's the prince
Kids getting bored by watching a copy of the same old storyThey know exactly how to play
 They know exactly what to say
 'Cause they have served their apprenticeshipLittle boys and little girls
 Playing parts in little worlds
 Little girls and little boys
 Properties and little toys
