Billy's Third

The Undertones

If you say no
It would break my heart in two
But don't you realize
There's too many watching you?We're making too many problems
Making matters worse
Maybe it's a curse
But, oh baby, it hurts, oh baby, it hurtsDon't look down 'cause if you do
You won't see what's in front of you
Can't turn your back on me this time
'Cause if you do I won't mindWe're making too many problems
Making matters worse
Maybe it's a curse
But, oh baby, it hurts, oh baby, it hurtsIf you say no
If you say noWe're making too many problems
Making matters worse
Maybe it's a curse
But, oh baby, it hurts, oh baby, it hurts
