Show Me The Way

Slaraffenland

I need to find the light
To shine my way through
I feel so confused
That I might need some helpLead me to the path
I need to find it anywayShow me the way
To the fatal world
Show me the way
To the fatal worldShow me the way
To the fatal world
Show me the way
To the fatal world
Show me the wayPlease show me the way
And I will never complain
It's only a matter of time
Before I go insaneLead me to the path
I need to find it anywayShow me the way
To the fatal world
Show me the way
To the fatal worldShow me the way
To the fatal world
Show me the way
To the fatal world
Show me the wayIf you let me inside
Creation will crash through the sky
A catastrophic misconception of light, yeahShow me the way
To the fatal world
Show me the way
To the fatal worldShow me the way
To the fatal world
Show me the way
To the fatal worldShow me the way
To the fatal world
Show me the way
To the fatal world
This fatal world
