Gone Tomorrow

Dr. Arthur Krause

I'll be dead, tomorrow
Will I fly, like a bird
I'll be gone, tomorrow
Will I dream, will I feel
Your love

I'll be dead, tomorrow
Will I swim, in the sea
I'll be gone, tomorrow
Will I see, will I smell
Flowers on my grave

I'll be dead, tomorrow
Will i run, over the fields
I'll be gone, tomorrow
Will I rest, will I sleep

Next to you, in my grave
Next to you, next to you
In my grave, next to you
Next to you, next to you

In my grave, next to you
Next to you, next to you
In my grave, next to you
Next to you, in my grave
In my grave

Next to you, in my grave
Next to you, next to you
In my grave, Next to you
Next to you, next to you

Next to you, in my grave

Next to you, in my grave

Next to you, in my grave
Next to you, next to you
In my grave, next to you

In my grave, will I dream
next to you
