

In Too Deep

The Sweepings

Preach, what is done is done
Don't say a word
Keep a secret from your hurt

Oh oh I'm in too deep
Oh oh I'm in too deep
Oh oh I'm in too deep
What a day is killing me

Release me, let me start all over
Bury it away
Down this covers every moment it's my day to pay

Preach, what is done is done
Don't say a word
Keep a secret from your hurt

Oh oh I'm in too deep
Oh oh I'm in too deep
Oh oh I'm in too deep
What a day is killing me
