Car Wash for Peace

Jimmy Fallon

I'm so sick of all the news on T.V.
All this fighting got me going crazy
And someone wrote on my car "Please clean me"Now I know what I got to do.
Listen everybody Im talking to you.Let's have a car wash for peace.
There's trouble in the Middle East.
There will be no more wars,
Or dirty cars.
Car wash for peace.Just remember -
We got to get together
In the parking lot across from Wall Mart SupercenterChristians, Muslims, Buddhists, Jews, C'mon all you Hindu dudes!Yeah, Yeah, Yeah, Yeah, Yeah!Let's have a car wash for peace.
There's trouble in the Middle East.
Got to put down those guns,
Pick up a sponge.
Car wash for peace.Let's have a car wash for peace.
There's trouble in the Middle East.
There will be no more wars,
Or dirty cars.
Car wash for peace.There will be no more wars,
Or dirty cars.
