

Revelation

Sons of Sylvia

I was born the day John Lennon died
The paper said he never got to say goodbye
Crazy how you can have everything
But timeMy father was a preacher, he warned me of sin
I think he always wanted me to be like him
They say he looked like Elvis
When he was a younger manAnd I don't know where I'm going
But I know it's going fast
Love's the only thing that's keeping us alive
Oh, this is my, this is my
This is my, this is my revelationI met a girl down in Nashville, Tennessee
A blond eyed, blue eyed angel
Said, "Would you marry me?"
Never thought I'd be a father with a familyAnd I don't know where I'm going
But I know it's going fast
Love's the only thing that's keeping us alive
Oh, this is my, this is my
This is my, this is my revelationMy feet are on the ground but I'm flying
My feet are on the ground but I'm flyingI don't know where I'm going
But I know it's going fast
Don't know where I'm going
But I know it's going fastLove's the only thing that's keeping us alive
Oh, this is my, this is my
This is my, this is my
Oh, this is my, this is my
This is my, this is my revelationI was born the day John Lennon died
