Man With the Fun

Maxi Priest

If I get your name and your telephone number
We can get together baby sooner than later
But if you walk away then we're gonna be strangers
Won't you take the chance i can make it much better
I don't really know you but I'm trying to get over
You looked so good I just had to walk over
I wondered if your name is Lisa, Tammy, or Mona
And if you spare the time I can tell you about me[Chorus]
'Cause I'm the man with the fun, yes I am
Yes I'm the man with the fun
I don't hit and run
'Cause I'm the man with the fun, yes I am
Yes I'm the man with the funI don't hit and run
I'm the type of man who can hold it together
And even if it rains i can be your umbrella
So tell me what to do (so I can) hold you much closerBaby won't you give me just your name and your number
Or is there someone else I don't see no ring
And if you say no we can do our thing
It's looking like your free, is it true that you're single
so maybe we can get together and mingle[Chorus]If I get your name and your telephone number
We can get together baby soonerthan later
But if you walk than we're gonna be strangers
So if you take the chance baby things will get better[Chorus]Not gonna leave you
Put your trust in me baby
