I'm a Believer

Giant

Oh, goGirl, it's been awhile, you've lost your pretty smile, what happened?
Was it something that they said that's playing with your head
What happened when you're standing in the spotlight?
Woman, some people try an' take a shot
Well it's only jealousy, only jealousy, oh, they can't see our loveBut one thing you can be sure of
You know that I'm a believer, in you an' me
You know that I'm a believer, oh it's true
And no matter what you do, girl, I believe in you I believeOh, it's never what you hear, it's only what you feel that matters
If you're gonna stand alone, you can't keep climbing social ladders
When it comes down to basics and we're lookin' at it one on one
It don't matter what they say, matter what they say
About us now, ah, can't hurt us nowBut one thing you can be sure of
You know that I'm a believer, in you, I believe
You know that I'm a believer, oh it's true
And no matter what you do, girl, I believeThe only way to win child, is never play the game of love
But I'll be there to catch you even if you should ever fallBut one thing you can be sure of
You know that I'm a believer, in you, in me
You know that I'm a believer, girl it's true
And no matter what you do
You know I'm a believer, in you, in loveYou know that I'm a believer, oh, it's true
And no matter what you do, girl
I believe in you, oh, in me, oh, in love
You know that I'm a believer, oh it's true
And no matter what you do, girl, I believe
