# Don't Miss the Magic

## Jenae Cherry Brach

Baby I'll meet you wherever you want to
Let's get in the car and go
We're two strikes down but it's a big ol town
Let's hit the road
As long as I'm with you there's nothing we can't do
We're unstoppable
Let's keep the pace steady wins the race
This feels so natural

There's manic in the air
Floating everywhere
I know you feel it too
Its only just begun
But we've already one
Some thing here you can't unglue
No you don't wanna miss this magic
No you don't wanna miss this magic
I'll be waiting for you where
There's magic in the air
Singing
Oooooh
Oooooh
OooohÂ no don't miss the magic

Underneath the stars standing in the yard
Watching the day unfold
Take a seat kick up your feet
Ain't the beer cold
We're two drinks in and were singing again
Giving it our best shot
Let's buckle up we've got enough
We won't stop
