The Party's Over

Julie London

The party's over,
It's time to call it a day
They've burst your pretty balloon
And taken the moon away
Its time to wind up the masquerade
Just make your mind up
The piper must be paidThe party's over
The candles flicker and dim
You danced and dreamed through the night
It seemed to be right
Just being with himNow you must wake up,
All dreams must end
Take off your make up'
The party's over,
It's all over, my friendNow you must wake up
All dreams must end
Take off your make up
The party's over,
Its all over, my friend
