What You've Done

The Muffs

I'd do anything for you
If I could
And I'd do anything to see you
And wouldThen I got baby back one day
And now you have to go away
I know you and I know what you've done (oh yeah)If I ever could believe
That you're true
Still I'd never want to spend
Time with youOne fine day I caught you lying
I don't care now, I'm not crying
I know you and I know what you've doneIn anything that I say to you
And you won't go away from me
And when you don't understand
It's me I don't come easy[Repeat Chorus]
