You Are My Home (feat. Philip Janz)

Brian Doerksen

Oh, yeah, yeahI? ve looked for love in so many places

Trying to find out where I belong

Wandering through this barren land of longing

Looking for the place called home, a place called homeYou said,? Come to me all you who are so weary

And you will find true rest for your souls?

Lord, let these words of life speak into my heart

Anywhere I am I can be home You are my home, You? re my true home

I am safe inside the shelter of Your love

You are my home, You? re my true home

I am free to be a child once again

Oh, I'm free in YouYou are my one true destination

The place I eternally belong

You made me from the earth and then You breathed into me life

Redeemed me from my sin and brought me home You are my home, You? re my true home

I am safe inside the shelter of Your love

You are my home, You? re my true home

I am free to be a child once againMy heart is restless, till it rests in You

My heart is restless, till it rests in You

Until I dwell in You

Until I find my home in YouUntil I find my home in You, yeah

I belong to You

You are my home, true home

You are my home, You are my shelter

You are my home, yeah, yeah, yeah, yeah

You are my home, You are my shelter

You are my homeBring me home
