

Fate Don't Know You

Desi Valentine

I put my palms before her eyes
And she told me my truth
Laid the road for me
A rich manâ€™s destiny
But she saw it without you
Sheâ€™s a liar
She has no clue
Youâ€™re the one thing I will not lose
Iâ€™ll turn the tide
Pull down the moon
When rivers dry, thereâ€™s no fate for you
Letâ€™s burn the pages
Weâ€™ll start anew
Right through the ages . To prove.
Fate donâ€™t know you like I do
Like I do
Iâ€™m gonna make you feel my love
Leave you no room for doubt
No other hope for me
Youâ€™re my destiny
Wonâ€™t go nowhere without you
Youâ€™re my fire
And my tears too
Youâ€™re the one thing I will not lose
Iâ€™ll turn the tide
Pull down the moon
When rivers dry, thereâ€™s no fate for you
Letâ€™s burn the pages
Weâ€™ll start anew
Right through the ages. To prove.
Fate donâ€™t know you like I do, oh,
like I do, oh like I do.
Youâ€™re my fire
They have no clue
You are the one thing I will not lose, I will not lose.
Iâ€™ll turn the tide
Pull down the moon
When rivers dry, thereâ€™s no fate for you
Letâ€™s burn the pages

We'll start anew
Right through the ages
Fate don't know you like I do, oh,
 Know you like I do
Fate don't know you like I do.
