All Around Me (feat. Raquel Cabrera)

Verse:
Who do you think you are
Think you are baby
Donâ€™t just steal my heart
And try to lock it away from me baby

Didn't know what I wanted
But i know you got it
Know i gotta have it
Don't waste time lets escape
To a place
Get away

(Chorus)
Yeah(x3)
I feel your love raining on me
It's all around me
All around me X3
I feel your love raining on me
