Kicks

FKA twigs

[Verse 1]
When I am low
I feel for you
Time passes by
Feel it for you
I explode
Stroke my side
Yes, I do
Feel for you
So I tell myself
It's cool for me to wait for you
Just for you
I collect my thoughts and breath
Because I take your lead
Take your lead

[Chorus]
Tell me what do I do when you're not here?
What do I do when you're not here?
Tell me what do I do when you're not here?
I get my kicks like you

[Verse 2]
When I'm alone
I don't need you
I love my touch
Know just what to do
So I tell myself
It's cool to get my kicks like you
Just like you
I just touch myself
And say, I'll make my own damn way
Own damn way
Tell me what do I do when you're not here?
Tell me what do I do?
Baby it's clear

[Chorus - Variation]
Tell me what do I do when you're not here?

What do I do when you're not here?
Tell me what do I do when you're not here?
What do I do when you're not here?
(I get my kicks like you)
Tell me what do I do when you're not here?
What do I do when you're not here?
Tell me what do I do when you're not here?
What do I do when you're not here?
I get my kicks like you

[Outro]
What do I do when you're not here?
(I get my kicks like, I get my kicks like)
(I get my kicks like you)
Tell me what do I do?
Baby it's clear
