

Any Old Time

MARIA MULDAUR

Any old time you want me
I am yours for the asking darling
Any old time you need me
Ill be their with love that's lasting darling.
All through the years well stand together
Sharing the tears and stormy weather
And the sunshine will be yours and mine
Any old time your blue
You'll have our love to chase away the blues
And any old thing you do ill see you through.
So just remember that I am waiting dear
If ever you want me ill be near,
Any old time and any place where you may be.
