

Stiff Competition

Cheap Trick

Stiff competition
If I go up-you take me higher
Stiff competition
And when I'm down, you take me higher
There's stiff competition all over the world
I screw you, you screw me, they screw usHere we go again
Oh, but we have so much fun, so much fun
When we're together
When we're together
When we're together-now
I looked hard in your eyes
It was love at first sightIt took me minutes, you're still waiting
Waiting for your turn, you turn
It won't be long
Stiff competition
I work hard, every day of my lifeStiff competition
Get it up, you take me higher
Stiff competition
All over the world
The more I get, the more I like it
The bigger they are, the harder they fall
