

# She Lay Gutted

## Disgorge

Mutilated entrails, rot as I disgorgeEjaculate the mutilation, severed heads  
Bleed on me as I eat the rotting corpse corpseOrgan by a mangled body, as I regurgitate  
I become infested...she lay guttedViolent discharge, from the rectum  
Carving pelvises from a womanRipping-vaginal skin, ripping-reproductive cords  
Ripping-sodomize herMutilated entrails, rot as I disgorgeShe lay gutted gutted, she lay gutted guttedOrgan by a  
mangled body, as I regurgitate  
I become infested rotting rot as I disgorgeShe lay gutted...Violent discharge, from the rectum, carving  
Pelvises from a woman  
Ripping vaginal skin ripping vaginal skin  
She lay gutted [x5]
