## Bishop G.

Yeah  
(Yeah)  
Come on  
Uhh

KweliYo, yo, ayo my silent moments, loud as the crack of thunder

My hunger is like the crocodile that attacks the hunter

It ain't commercial or underground, it's true 'cause I

(Wanna be good to you)Call it skill, call it game, call it glow, call my name

Like the Lord, all in vein, screaming like you all in pain

Treat it like a drug, all up in ya vain 'cause

(Wanna be good to you)We make the squares dance, and get the do like do, si

Y'all niggas roll with pussy-cats like Josie

All spoiled rotten like ghetto groceries yo

I clutch the mic like ya grandma clutch her rosary yoSwooping the industry, like a bird of prey

My stanzas got stamina, ya verses lack vertebrae

I heard them say I was a conscious rapper

But I'm a monster when I hafta smack the shit out of a novice actorUsing my 'hands solo' and I don't need  
chewy

Over your head like Yamakas and Koofies yo

I write screen gems ya'll niggas act in B-movies

Type of niggas proud to be groupiesFollowers in the herd running over the cliff, I'm the

Buffalo soldier, smoke ya like a Dred Loc Rasta

Blowing the spliff, loading a clip to spit high

Like you holding blow in a stolen whip, rolling the stripLooking to hit cops, now that's a 4 alarm

Black queen falling on my arms, you could call it charm

Mater fact call it what you want, its up to you bro

(Wanna be good to you)Yeah

How many niggas really think they thugs

And can't think without the drink and drugs

How many niggas can't get in with hats and sneakers on?Say, Fuck security and get inside and keep them on

How many niggas think that gats make the weaker strong?

Can't do for self and wanna snatch the plate you eating on

Hammers is cocked and waiting, niggas is not debating

We ain't got the patience You found popping shitCome in to town just to run you down like poppa ditch  
And dig a proper ditch, you lying like a politician

Your proposition meets opposition like contradictions
