Hollow

Submersed

To you, I'm all I've left undone
I'm all I haven't won
Lift me up, my soul's so hollow
Lift me upYou take the breath you didn't make
What's left you did forsake
Lift me up, my soul's so hollow
Lift me up, my soul's so hollowYou can make me scream internally
You can make me breathe eternally, yeahYou see the things I cannot change
The things that make me plain
Lift me up, my soul's so hollow
Lift me upWe've made all from the sum of none
All that we have become
Lift me up, my soul's so hollow
Lift me up, my soul's so hollowYou can make me scream internally
You can make me breathe eternally
You can make me scream internally
You can make me breathe eternally, yeahFill, fill what's in me
Fill, fill what's in you
Fill, fill what's in me
So my soul's not left so hollowYou can make me scream
You can make me breath
You can make me scream internally
You can make me breathe eternallyYou can make me scream
You can make me breathe
You can make me scream
You can make me breathe, me breathe
