

Hollow

Submersed

To you, I'm all I've left undone
I'm all I haven't won
Lift me up, my soul's so hollow
Lift me up You take the breath you didn't make
What's left you did forsake
Lift me up, my soul's so hollow
Lift me up, my soul's so hollow You can make me scream internally
You can make me breathe eternally, yeah You see the things I cannot change
The things that make me plain
Lift me up, my soul's so hollow
Lift me up We've made all from the sum of none
All that we have become
Lift me up, my soul's so hollow
Lift me up, my soul's so hollow You can make me scream internally
You can make me breathe eternally
You can make me scream internally
You can make me breathe eternally, yeah Fill, fill what's in me
Fill, fill what's in you
Fill, fill what's in me
So my soul's not left so hollow You can make me scream
You can make me breath
You can make me scream internally
You can make me breathe eternally You can make me scream
You can make me breathe
You can make me scream
You can make me breathe, me breathe
