Hollow

Submersed

To you, I'm all I've left undone
I'm all I haven't won
Lift me up, my soul's so hollow
Lift me upYou take the breath you didn't make
What's left you did forsake
Lift me up, my soul's so hollow

Lift me up, my soul's so hollowYou can make me scream internally You can make me breathe eternally, yeahYou see the things I cannot change

The things that make me plain
Lift me up, my soul's so hollow
Lift me upWe've made all from the sum of none

All that we have become

Lift me up, my soul's so hollow Lift me up, my soul's so hollowYou can make me scream internally

You can make me breathe eternally

You can make me scream internally

You can make me breathe eternally, yeahFill, fill what's in me

Fill, fill what's in you Fill, fill what's in me

So my soul's not left so hollowYou can make me scream

You can make me breath

You can make me scream internally

You can make me breathe eternally You can make me scream

You can make me breathe

You can make me scream

You can make me breathe, me breathe
